About The Department

The Department of Statistics was established in 1964 as a part of Mathematics Department, and since 1974 it is an independent Department. The department boasts of expert faculty and excellent infrastructure for teaching and research activities at M.Sc., M. Phil. and Ph.D. levels. Based on its high quality teaching and research, the Department has been getting financial support for its growth under COSIST, FIST and SAP schemes of UGC and DST. It has been awarded the status of DSA (Department under Special Assistance) by UGC. The Department is involved in research and teaching statistics to sister Departments and neighboring institutes of National importance like PGIMER, GMCH, NITTTR, IMTECH, NIPER, etc. The Department also provides expertise in the area of Multiple Comparison Procedures, Reliability and Survival Analysis, Applied Statistics, Bio-Statistics and Econometrics.

Venue of Talk:

Seminar Hall
